AGENDA 1: Action Taken Report on the minutes of All India Review Meeting held on 24-25 April 2017.

The 20th All India Review Meeting on MPLAD Scheme was held on 24-25 April 2017 and the minutes of the meeting were circulated to all Nodal Secretaries of State/UT Governments vide letter no. C-01/2017-MPLADS dated 15.06.2017 for taking further necessary action. Minute of the meeting is placed at Annexure- I. Thereafter the Nodal Secretaries of States/UTs were again requested to furnish the Action Taken Reports on the minutes of the above said meeting vide letter no. C-03/2018-MPLADS dated 03.08.2018. The Action Taken Reports on the minutes has been received only from the States of Goa, Himachal Pradesh and Uttar Pradesh.

State Nodal Secretaries are requested to take up the issues raised in the minutes with respective authority on priority basis and submit the ATR at the earliest.

AGENDA 2: Status of pending installments

The annual entitlement of Rs. 5 Crore is released in two equal installments of Rs. 2.5 Crore each. For a full term of Lok Sabha and Rajya Sabha an MP gets 10 and 12 installments respectively.

Ministry has observed that a large number of installments are not being released due to non-furnishing of requisite documents by the nodal district authority. In many cases, the delay is caused due to delay in utilizing the already released funds or failure to obtain the utilization certificate (UC) from Implementing Agencies/ Implementing Districts. Released are delayed also because of the faulty UC or Audit Certificate (AC). In some cases, however it is because of the less recommendation received from the MPs. Table 1 provides number of installments due for release to the States. The MP wise statement of pending installments is at Annexure II.

Table 1 shows that Uttar Pradesh, Maharashtra, Bihar, West Bengal, Tamil Nadu, Karnataka, Andhra Pradesh, Delhi, Kerala, Rajasthan, Odisha, Gujarat, Jharkhand has more than 100 pending installments which is a cause of concern. Some other States/UTs also have high pendency vis-à-vis the number of MPs.

To minimize the error in the documents like UC, AC, PUC and MPR, a standardized format of the same has been made available on the MPLADS Portal also. Some of the frequently occurring errors are listed below:

- Missing clauses in AC especially relating to Trust/Society and SC/ST.

- Opening balance of UC does not match with the closing balance of previous year UC.
- MP name missing in the Audit Certificate
- AC not on the letterhead of Auditor or Auditor seal missing

Additionally, Ministry has recently started issuing Monthly Bulletin to the Hon'ble MPs to make them aware about the present status of their fund position and documents needed to release the next due installments. This is to inform MPs about the status of pending installments and reason thereof.

The State Authorities are requested to look into the details of the pending installments (MP wise) and direct and facilitate for removing the reasons causing pendency. State Authorities should also hold regular meetings with the districts authorities having more pendency.

AGENDA 3: Slow utilization of MPLADS Fund

As per Para 3.13 of the MPLADS Guidelines, the time limit for completion of the works should generally not exceed one year. It is observed from the information available with this Ministry that utilization of funds in respect of Hon'ble MPs of 16th Lok Sabha and Rajya Sabha is very slow in various States. Owing to slow utilization, releases of installments in respect of many last years are still pending. Table 2 gives state-wise utilization of funds over fund released by government of India.

MP-wise detailed statement for each State is placed at Annexure III.

State Nodal Authorities need to take up the cases rigorously where utilization is not up to the mark to improve the utilization of funds. The States should ensure that funds released in a year are utilized in the same year so that delay in release of funds could be curbed.

District Authorities may be directed to speed up utilization for keeping releases up-to-date.

AGENDA 4: VIP reference/Grievances

It is observed from the information available in the division regarding VIP references/Complaints that many such issues are lying pending for want of requisite information from the State/UTs Governments. Non-settlement of these issues within time increases the number of VIP references/Complaints.

Table 3 shows State wise summary of number of complaints. The detail of representations received from Hon'ble MPs/Ex-MPs/Individuals regarding implementation of MPLAD Scheme is shown at Annexure-IV.

The concerned District Authorities may be directed to expedite the submission of appropriate reply to this Ministry through the State Nodal Department immediately.

AGENDA 5: Review Meetings of MPLADS at State level

Para 6.3 (i) of the Guidelines provides that a committee under the Chairmanship of the Chief Secretary/Development Commissioner/Additional Chief Secretary should review MPLADS implementation progress with the District Authorities and MPs at least once in a year.

It is observed that these review meetings are not being conducted regularly. Sometimes these meetings are found clubbed with other routine meetings of the department. The State Nodal Department is supposed to conduct exclusive review meetings on MPLADS duly inviting the Hon'ble MPs. Ministry has written to all States/UTs in the month of March, 2018 to conduct the meeting at least once in a year.

The State Nodal Department is requested to provide the detail of such meetings conducted during the last one year indicating whether the Hon'ble MPs were invited or not.

AGENDA 6: Full operationalization of new integrated MPLADS Portal

The Ministry of Statistics and Programme Implementation has developed a web based integrated system for monitoring MPLADS funds release, implementation of works and expenditure incurred for macro and micro level monitoring. The portal is operational since 2014.

For operationalizing this website, Ministry has extended full technical support for the Capacity building of State/UT officials. Ministry has conducted a number of training programmes for the State/UT officials. Ministry has been regularly following up with the State/District Authorities for issuing directions to the concerned officials for meticulous uploading of data in a time bound manner on the integrated MPLADS website.

For full operationalization of portal, District Authorities are required to provide work wise details as well as consolidated statements of physical and financial progress on monthly basis which is Monthly Progress Report (MPR). The portal provides for submission of detailed information on use of various stakeholders such as MPs, Citizens, RS/LS Committee etc. Ministry is regularly writing to the various authorities at State/ District level to provide the requisite information on portal. The latest communication in this regard has been sent on 10th April 2018. Despite the persistent efforts, the detailed information is still not being uploaded on the portal by the District Authorities. State wise distribution of number of districts not uploading the MPR and Work wise detail is provided in the following table 4. The detail of Nodal District Authorities which are not uploading the Monthly Progress Reports (MPRs) and works details is shown at Annexure-V.

To understand the reason of not uploading information on portal, Ministry has done consultation with some of the District Authorities and State Nodal Authorities. It has come out from the consultation that the portal is not very user friendly. In light of this, Ministry is in the process of revamping the MPLADS Portal for the purpose of making it more attractive, informative and user friendly. Recently, Ministry has developed attractive Home Page, Dashboard and is in the process of developing the Mobile application on MPLADS.

The Integrated portal is required to be made fully functional by all the nodal district authorities at the earliest. It is, therefore, requested that the districts, which are not providing detailed information, may be directed to start uploading the same on the portal immediately and also provide feedback on the dashboard uploaded as Beta Version <https://www.mplads.gov.in/Beta/Dashboard/Dashboard.aspx> on the portal .

AGENDA 7: GIS Mapping of works and Best Practices

Ministry is in the process of geo-tagging of all the works that has been uploaded on the portal. This information would be made available to the general public also. For making this venture successful, it is imperative that work wise information is made available on the MPLADS Portal which will be used to geo-tag the work.

Additionally, Ministry is also developing a Mobile application for capturing the information on progress of works with pictures. This application will automatically geo-tag the work based on the location of site. This would facilitate the States/UTs in sharing the best practices/works being done under the scheme.

It is requested to direct the District Authorities to upload the details of works along with the pictures of the good works on the portal.

AGENDA 8: Closure of accounts

Para 4.10.1 of the Guidelines stipulates that the work of MPLADS shall be completed within 18 months from the date of demitting office in case of Rajya Sabha MPs or dissolution of the Lok Sabha. District Authorities shall settle and close the account of the concerned MP after completing all other formalities in another 3 months time, under intimation to the Govt. of India and with detailed information in the Monthly Progress Report (MPR). If the District Authority does not finish the projects within 18 months of demitting of an MP or dissolution of Lok Sabha, the District Authority will be required to complete the balance work out of State/District funds. In no case, any extension will be given and District Authority shall be held responsible in case of any lapse in this regard.

Balances of MPLADS funds left by the predecessor MPs (funds not committed for the works of the predecessor MP) have to be distributed amongst successor MPs as per provisions of Guidelines on MPLADS.

State wise number of accounts requiring closure is given in Table 5. Issue of closure of accounts has been segregated in three categories namely;

- a) Closure of accounts of MPs up to 14th Lok Sabha
- b) Closure of accounts of MPs of 15th Lok Sabha
- c) Closure of accounts of Ex-MPs of Rajya Sabha

(a) Distribution of unspent balance of up to 14th Lok Sabha Members and closure of accounts

Nodal Departments of the States/UTs for MPLAD Scheme were requested to collect the information about the unspent/uncommitted balances available with the District Authorities after completion of all sanctioned

works up to 14th Lok Sabha and complete the process of distribution of unspent/uncommitted balances. Target date for closure of these accounts was 2011.

As on 06.08.2018, there are **204** accounts pertaining to 14th Lok Sabha and before which are yet to be closed. With a view to close the account upto 14th Lok Sabha, several reminders were sent to State Authorities, the last being D.O. letter dated 05.04.2018, with the request to issue directions to all the District Authorities to send Monthly Progress Reports showing unspent balance as **ZERO** along with the Final Utilization Certificate and the Final Audit Certificate. State-wise summary of closure of saving bank accounts upto 14th Lok Sabha MPs is given at Annexure VI.

All Nodal State Authorities are again requested to issue directions to all the District Authorities to send Monthly Progress Reports showing unspent balance as ZERO along with the Final Utilization Certificate and the Final Audit Certificate to the Ministry.

(b) Completion of work of 15th Lok Sabha MPs and closure of accounts.

As on 06.08.2018, there are **318** accounts pertaining to 15th Lok Sabha which are yet to be closed. State-wise summary of closure of saving bank accounts of 15th Lok Sabha MPs is given at Annexure VII.

The Nodal Secretaries of the States/UTs are requested to direct the District Authorities of their State/UT to take time bound action for completion of works in time, distribution of unspent balances and closure of accounts.

(c) Distribution of unspent funds of Ex-Rajya Sabha Members

It has been noticed from the Monthly Progress Reports received from the District Authorities and Performance Audit Reports received from them that a large amount of unspent balance of MPLADS funds of the ex-Rajya Sabha MPs is awaiting distribution amongst the sitting Rajya Sabha MPs despite the provision of distribution contained in MPLADS Guidelines and the circulars issued by this Ministry from time to time. The issue relating to the distribution of unspent balance is also repeatedly clarified during training workshops, review meetings etc.

634 accounts in respect of ex-Rajya Sabha MPs are still functional. Details are given at Annexure VIII. Action for completion of works, if any, and closure of account is to be taken as per provisions of Guidelines.

The Nodal Secretaries of the States are requested to direct the District Authorities of their States to furnish report of the distribution of unspent balance regularly in a time bound manner and close accounts and send final MPRs with 'Zero Balance' along with the Final Utilization Certificate and the Final Audit Certificate.

AGENDA 9: Status of funds recommended and progress of sanctioned works in Natural Calamities area

MPLADS guideline provides for the Members of Parliament to give the funds for taking up rehabilitation works in the areas affected by calamity of severe nature. MPs have consented the funds for such causes as and when the calamity has occurred. Currently there are 9 cases of calamity where Members have consented the funds from MPLADS for taking up rehabilitation works in affected areas. The details of the natural calamities are shown at Annexure-IX.

AGENDA10: Status of Pending Paras of PAC Report

Action Taken Replies – PAC 31st Report on MPLAD Scheme.

The thirty-first Report (Sixteenth Lok Sabha) of PAC (2015-16) on Action Taken by the Government on the Observations/Recommendations of Public Accounts Committee contained in their 55th Report (15th Lok Sabha) on 'Member of Parliament Local Area Development Scheme (MPLADS)' based on C&AG Report No. 31 of 2010-11 (Performance Audit), Union Government (Civil) relating to the Ministry of Statistics and Programme Implementation presented to the Lok Sabha/Laid in Rajya Sabha on 21st December 2015 and PAC has requested to furnish the Notes indicating the Action Taken on the Observation and Recommendation as contained in the 31st report of PAC.

There are six observations of 31st report of PAC on which information from the concerned states is required for framing a suitable reply. The detail of these paras along with the name of state to which these paras are concerned is given at Annexure X.

A D.O. letter at the level of Secretary (S & PI) to all Chief Secretaries has also been sent on 22.03.2017 in this regard.

The states are requested to furnish the complete ATNs on priority basis to this Ministry.

AGENDA 11: To establish facilitation centre for MPs at District level

As per para 3.34 and 3.34.1 of the Guidelines on MPLAD Scheme there is a provision of creation a facilitation centre at each district. The main function of the facilitation centre would be to provide to the Hon'ble MPs all the information at one place relevant for the effective implementation of the scheme. A lone Data Entry Operator, if necessary, may be engaged, through outsourcing/contract from within the 2% administrative charges.

Some of the Nodal Districts have already established the facilitation centres in compliance of this provision of Guidelines. Recently Hon'ble Minister of Statistics and Programme Implementation inaugurated a facilitation centre at Aizawl.

The State Nodal Department is requested to advise the Nodal District Authorities in the State to explore the possibility of establishing such facilitation centres for MPs at the District level.

AGENDA 12: Recent modification in guidelines

The MPLAD Scheme is governed by a set of guidelines, which are modified from time to time based on the suggestions of the stakeholders and keeping in view the new needs of public. The details of modifications made in the provisions of Guidelines after latest version i.e. June, 2016 are shown at Annexure-XI.

State Nodal Departments are requested to provide their valuable suggestions for further improvement of the Guidelines.

Minutes of 20th All India Review Meeting on Implementation of MPLADS with Nodal Secretaries of State Governments and UT Administrations held on April 24-25, 2017.

The All India Review meeting on implementation of MPLAD Scheme was held on April 24-25, 2017. The list of participants is placed at Annexure-I.

Hon'ble Minister, Ministry of Statistics & Programme Implementation chaired the meeting on 25th April, 2017. While inaugurating the conference, Hon'ble Minister pointed out that the MPLAD Scheme has been benefitting the people of the country by creating durable assets for their utilitarian and infrastructural needs, which have not been met by other Schemes, and these review meetings have proved to be an important mechanism in bringing greater results through the collective efforts towards better implementation of the Scheme. He emphasized the need for complete use of the MPLADS portal so that it would not only reveal the real-time status of the Scheme but also enable improved use of the funds. He also impressed upon the need to speed up the implementation of the MPLAD Scheme, so that maximum benefit could be extracted from the Scheme.

On 24th April 2017, presentation on the Integrated MPLADS website was made to highlight the salient features of the website and role of District Authorities, State Nodal Departments for effective functioning and data updation.

Thereafter, all the participating States/UTs were divided into six groups for an in-depth interactive session on each of the following agenda items.

(i) Pending C&AG Paras

The States/UTs representatives were informed about the status of pending C&AG Audit Paras and requested to expedite the replies to the pending paras. Each para was discussed with due reference of the detailed Audit Report. Each state was informed about the Districts from which report is anticipated. The State Nodal Department was requested to collect the remarks from the identified Districts and furnish a consolidated report to the Ministry. The State/UT representatives ensured that the Action Taken Report in respect of all pending C&AG Audit Paras would be furnished to this Ministry at the earliest.

(ii) Pending PAC Paras

The States/UTs representatives were requested to take urgent action to furnish replies to the pending PAC Paras. It was specifically pointed out to all the State/UT representatives that in respect of undue delay in implementation of MPLADS and irregular sanction/ delay in execution of works, the PAC had observed that State Government need to investigate and initiate disciplinary cases against the erring officials.

81632/2018/CPO

30/47

of District Authorities found responsible for irregular sanction and to invoke the penalty clause against the implementing agencies who failed to complete the work in time as stipulated in the Guidelines. The State/UT representatives were, therefore, requested to ensure that necessary action is taken against the erring officers and action taken reports are furnished to the Ministry, so that the PAC can be appropriately apprised.

(iii) Rehabilitation works

The status of Rehabilitation works was discussed with the states of Andhra Pradesh, Uttarakhand, Tamil Nadu, Bihar, West Bengal and Jammu & Kashmir. It was emphasized that the States need to implement the pending rehabilitation works urgently and submit timely and regular reports on the status of rehabilitation works for informing the parliamentary committees of Lok Sabha & Rajya Sabha on MPLAD Scheme.

(iv) VIP references

The States/UTs were requested to give topmost priority to respond to the VIP references and furnish reports on Action Taken on a priority basis. Each VIP reference was discussed with the State Government officials for enabling an appropriate and timely reply.

Interactive session with all participants to invite suggestions and feedback on the implementation of MPLADS was conducted to conclude the day's proceedings.

On 25th April, 2017, detailed item-wise discussions were held on the following agenda points.

New MPLADS Website

It was stated that the new MPLADS website has been made fully functional with effect from 01.04.2015 and all MPLADS funds releases are being made through the new integrated portal. The importance of a fully functional MPLADS Portal was emphasized to the State/UT representative. It was specifically pointed out that a fully functional MPLADS Portal is the only tool for providing information on MPLADS on a real time basis to all the stakeholders including Hon'ble Members of Parliament but would also be of tremendous use to State Nodal Authorities for monitoring the status of implementation of MPLAD Scheme.

The State/UT representatives were requested to urge the Nodal District Authorities in the State to start fully uploading the data on new MPLADS portal.

To the response of various State/UT representatives that lack of trained manpower in District Authorities is coming in the way of working on the new MPLADS portal, it

31632/2013/CPD

31/47

was informed that this Ministry has already conducted a number of training workshops/programmes on the new MPLADS portal and the officials already trained in these workshops/programmes could be deputed to further train the officials concerned with MPLADS in the States. The State/UT representatives were informed that the Ministry is also going to conduct 10 training workshops in May and June, 2017 at Computer Centre of MoSPI and the States/UTs could nominate their representatives for these workshops. It was also informed that if need be, the ministry can also conduct such training workshops in the States/UTs by sending its resource person.

Regarding any shortcoming in the portal/software glitches in the portal, the States/UTs were requested to contact the officers of this Ministry for advice or a quick solution of the problem.

The State/UT representatives assured to take necessary steps to make the new portal fully functional at the earliest.

Closure of accounts upto 14th Lok Sabha MPs, 15th Lok Sabha MPs and ex-Rajya Sabha MPs

It was pointed out to the State/UT representatives that non-closure of Bank Accounts of Lok Sabha MPs upto 14th Lok Sabha, 15th Lok Sabha MPs and ex-Rajya Sabha MPs is a matter of great concern. The huge unutilized amounts of MPLAD funds parked in these accounts could be utilized for creating durable community assets under MPLAD Scheme if the accounts are closed and MPLAD funds transferred/distributed to successor MPs as the case may be.

Most of the States/UTs informed that bank accounts of MPs upto 14th Lok Sabha have been closed but the requisite information in the prescribed proforma may not have reached the ministry. All the States/UTs have been requested to furnish the information urgently and in case of non-closure of remaining accounts, District Authorities should take urgent action to close the accounts.

In respect of 15th Lok Sabha bank accounts, the attention of the State/UT representatives was drawn to the fact that almost 2 years and 11 months have elapsed since the dissolution of 15th Lok Sabha and as per Para 4.10.1 of Guidelines on MPLADS the work of MPLADS shall be completed within 18 months from the date of demitting office in case of Rajya Sabha MPs or dissolution of the Lok Sabha. Further District Authorities have to settle and close the account of the concerned MP after completing all other formalities in another 3 months time, under intimation to the Government of India and with detailed information in the Monthly Progress Report (MPR). If the District Authority does not finish the projects within 18 months of demitting of office by an MP or dissolution of Lok Sabha, the District Authority will be required to complete the

81637/2018/CPD

32/47

balance works out of State/District funds. In no case, any extension will be given and District Authority shall be held responsible in case of any lapse in this regard.

The State/UT representatives were requested to urgently complete the eligible works recommended by 15th Lok Sabha MPs, transfer the unspent balance amount to successor MP, close the account and furnish the requisite information in prescribed proforma to the ministry.

In respect of ex-Rajya Sabha Members of Parliament, State/UT representatives were requested to take similar action urgently.

The State/UT representatives were requested to ensure the completion of closure of accounts in respect of 14th Lok Sabha by 31st May, 2017 and in respect of 15th Lok Sabha and Rajya Sabha members, who retired/resigned before 2014 by 30th June, 2017.

Pending Installments and slow utilization

Status of pending installments (Lok Sabha and Rajya Sabha) was discussed with the State/UT representatives. It was emphasized that it is very important to ensure timely and regular utilization of funds. States were requested to hold appropriate discussions/meetings with the Nodal District Authorities for speeding up the implementation of MPLAD Scheme and expediting the furnishing of requisite documents to the ministry for release of the pending installments.

Creation of Exclusive Directorate for monitoring of MPLAD Scheme

Most of the States informed that they have separate monitoring cells for monitoring of MPLAD Scheme. However, none of the States have exclusive officers of at least JS rank officers in-charge of the monitoring cell. It was specifically informed to the State representatives that the proposed exclusive cell is different from the monitoring committee under the chairmanship of the Chief Secretary as prescribed in Para 6.3 of the Guidelines on MPLADS.

All the States assured to look into the matter and furnish a complete reply to the ministry at the earliest.

The meeting ended with a vote of thanks.

31st Report of PAC (16th Lok Sabha)

Para no. of PAC Report	Description of Para	Concerned para of C & AG Report along with description	States/UTs
3	The Committee in their Fifty-fifth Report (Fifteenth Lok Sabha) had observed that some States had inflated the expenditure figures depicting the sum total as utilized thereby blatantly violating General Financial Rules (GFR), 2005. The Committee had desired necessary explanations of the DAs so that requisite preventive and punitive measures can be taken to ensure strict fiscal discipline. However, the Ministry, in their Action Taken Note did not reply on the said enquiry by the Committee and have stated that the DAs are advised from time to time to include actual expenditure incurred as expenditure figures. It seems that besides giving such advisories, the Ministry does not have any other monitoring mechanism at place. Hence, the Ministry did not provide the relevant details about the follow-up action taken by the concerned State Governments against malafide misreporting or any infringement of rules/guidelines. Therefore, the Committee exhort the Ministry to provide all the details about the action taken by the State Governments for ensuring financial regularity. Further, the development of integrated software for capturing relevant data for effective management and monitoring of the MPLAD Scheme was to be put on trial during 2013. The Committee, therefore, would like to be apprised of the status of the software likely to be developed and if developed whether the software has been put into use across the country for monitoring financial progress of the Scheme.	Para 6.2.2: Incorrect reporting of financial progress	Chhattisgarh, Jharkhand, Lakshadweep, Nagaland, Tripura and Sikkim

5	Diversion of funds meant of MPLAD Scheme to other schemes of the Central and State Governments is another area of serious concern. The Committee find that Rs. 4.67 crores of the MPLAD funds were diverted to other Schemes by 22 DAs of seven States, although the DAs are not authorized to do so. What further irks the Committee is the fact that the Ministry, instead of taking prompt action when the irregularities were pointed out by Audit, are yet to write to the State Governments for taking action against the DAs concerned. Since diversion of funds meant for MPLAD Scheme to other Schemes is a clear violation of rules notwithstanding the fact that in some cases diverted funds have been received back, the Committee exhort the Ministry to impress upon the State Governments concerned to initiate disciplinary action against the DAs involved in such irregularities. The Committee also recommends that the Ministry, in consultation and coordination with the State Governments, should resort to foolproof measures with a view to ensuring that under no circumstances funds meant for MPLAD Scheme are diverted, even temporarily, to any other Schemes.	<u>Para 6.4</u>	Odisha, Rajasthan, Assam, Andhra Pradesh, Bihar, Tamil Nadu and Jharkhand
10	The Committee noted that although the Ministry has received the replies on doubtful expenditure from the State of Bihar and Jharkhand, they find that the Ministry has not taken any concrete actions to see that responsibility could be fixed on the delinquent officials. They have simply requested the concerned State Governments to take action against the erring officials. The response of the State Government of Bihar, as furnished by the Ministry, states that more payment was made than scheduled rate due to increased compaction of Brick Bat, Balu, soil, etc. for technical reasons. The Committee have also came to understand that even after work estimates, the additional payment was also made due to increase in the rates of wages by the Government. The Committee are of the considered view that before finalization of works, either proper estimates were not prepared by taking into account various pragmatic considerations or due diligence was not followed for which additional	<u>Para 4.4.1</u> : Non existence of assets <u>Para 4.4.2:</u> Payment made on doubt full master roll entries	Jharkhand and Bihar

	payment was made. Therefore, the Committee desire that the respective State Governments prepare a proper estimate and conduct due diligence before finalizing works under the scheme so as to minimize additional payments and get the works completed within the scheduled time. Furthermore, the reply of the State Government of Jharkhand reveals varieties of irregularities such as unfruitful expenditure due to matter being sub-judice, non-existence of assets in respect of installation of two solar water pump sets and payment made on doubtful voucher. The Committee view this phenomenon as a serious lapse in the past of the DAs thereby implying questionable conduct on their part. The Committee, therefore, exhort the Ministry and the State Governments to conduct proper survey of the land/project where work has been sanctioned under the scheme and should follow a more rigorous selection process for finalising the contractors to execute the works. The Committee may be apprised of the actions taken by the Ministry for ensuring the same.		
14	The Committee find that the reply of the Ministry does not have any specific reference to the issues raised by them in their recommendation. The Committee are surprised to note that instead of mentioning about concrete steps taken by them in pursuance of the Committee's recommendation, the Ministry have just intimated about the general principles of law. Issues such as execution of MPLAD works by the DAs without the formal recommendations of the MPs or sanction of work by DAs in anticipation of the MPs recommendation or even execution of work recommend by representatives of the MPs speak eloquently of an unholy nexus between the DAs and the vested interests. The Committee are of the considered view that instances of such lapse should be taken seriously by the Ministry. The Committee, therefore, reiterate their earlier recommendation and desire that the Ministry make concerted efforts to pursue the matter with the concerned State Governments and take punitive action against the erring officials. They also hope that the Ministry will also take	Para 3.2 : Execution of works without recommendation of MP	Assam, Bihar, Jammu and Kashmir, Jharkhand, Manipur, Tamil Nadu, Odisha, Meghalaya, Madhya Pradesh

	preventive steps to safeguard against such lapses in future.		
16	The Committee expressed their displeasure over the Ministry's response with regard to the non-committal attitude of State Government of Jharkhand for furnishing reply about the exceeding of ceiling by Trusts/Societies. The Committee view this as a serious lapse on part of the Jharkhand Government and feel that the State Government has little interest in the prosecuting the guilty. Moreover, the Committee are also surprised to note the Ministry's submission regarding their inability to maintain a central database. The Committee wonder when a central database is not available in the Ministry, how it can monitor, review and implement the scheme as per the mandate of the Ministry. As per the Ministry's reply, DAs are being asked to maintain district- wise data base in respect of Trust/Societies to whom works is allocated. Thus, the Committee exhort the Ministry to maintain a central data base as well as direct the states to built comprehensive, all encompassing data base so that the review and monitoring of the works under the Scheme could be more transparent and could render much more efficiency in terms of execution of the works within the prescribed time frame.	Para 3.4 : Execution of works for society/trust	Odisha, Jharkhand, Goa, Maharashtra, Rajasthan, West Bengal
18	The Committee are happy to note that the Ministry have directed all the State Governments to look into the matter with respect to undue delay on their part and investigate and initiate disciplinary cases against the erring officials of District Authorities found responsible for irregular sanction and to invoke the penalty clause against the implementing agencies who failed to complete the work in time as stipulated in the Guidelines. However, the reply is silent about the action taken by the States/UTs against the erring officials. The Committee, therefore, exhort the Ministry to pursue the matter with the State Government authorities to see that the erring officials be identified and suitable punitive steps be taken against them. Besides, anticipating the successful development of the integrated software for monitoring the MPLAD scheme, the Committee also request the Ministry for early implementation of the software related programmes for	Para 4.3 : Delay in completion of works	All States

	monitoring release of funds, expenditure incurred and timely utilization of funds. They would also like to be apprised of the development in this regard.		
29	The Committee had observed that the Monitoring Committee either failed to meet annually or never held any meetings. The Ministry in their reply, quoting Para 6.3 (i) of the Guidelines, have stated that a review meeting is to be held at least once in a year and on a quarterly basis by DAs. The Committee desire to be apprised about the number of sittings held till date State-wise and Minutes of such meetings, since the MPs are also required to attend these meetings. The Committee find that the reply of the Ministry is silent about asking for periodic compliance reports from the State Governments. The Committee are of the view that such compliance reports will enable the Ministry to evaluate the progress of the MPLAD works and take corrective measures as and when required. They hope that the Ministry will take necessary steps in this regard without further loss of time under intimation to the Committee.	Para 7.2.1: State Level Monitoring Committee meetings	All States
