

**No.C-2/2021-MPLADS
Government of India
Ministry of Statistics & PI
(MPLADS Division)**

East Block-6, Level-6, R K Puram,
New Delhi-110066.
Dated: 24.06.2021

OFFICE MEMORANDUM

Subject:-Third Party Physical Monitoring(TPM) of MPLADS-request for feedback from Hon'ble MPs on MPLADS—regarding.

This is to kindly inform that this Ministry has engaged M/s Deloitte Touche Tohmatsu India LLP (DELOITTE) for carrying out the monitoring/evaluation of works done under MPLADS in selected 216 Nodal Districts during the period from **01.04.2014 to 31.03.2019**. The process of monitoring/evaluation has already commenced and the Agency is required to submit the evaluation report latest by 14-8-2021. The Ministry has already requested the concerned Chief Secretaries/Nodal Districts for providing all required support to the agency for hassle free conduct and completion of the monitoring/evaluation of works done under MPLADS.

2. The Hon'ble Members of Parliament are important stakeholders in the MPLAD Scheme and hence, their feedback is considered very critical for qualitative evaluation of the Scheme. Since, due to COVID-19 pandemic the meeting of agency officials with the Hon'ble MPs is not feasible, hence, the agency has prepared a Questionnaire (proforma enclosed) which may be filled by Hon'ble MPs and forward the same to the agency with copy to MPLADS division of MoSPI. The details of the nodal officer of the Ministry and agency are as follows:-

- a. Sh. Rajeev Nandan Choudhary, MPLADS Division, Mobile Number: 9717227290, email id: mplads@nic.in
- b. Sh. Senthil Rajan, Director, M/s Deloitte Touche Tohmatsu India LLP(DELOITTE), Phone Number: 8742952482, Email: serajan@deloitte.com

3. The feedback may be sent on the above email addresses. If Hon MPs desire to have a personal meeting / telephonic conversation for giving the feedback, the Hon MPs are requested to call on the above mobile numbers.

4. A brief on the Third Party Monitoring is enclosed for kind perusal.

24.06.2021
(Tanveer Qamar Mohammad)
Joint Secretary (MPLADS)

Encl.: as above

To

Members of Parliament (Lok Sabha/ Rajya Sabha) of Selected Nodal District.

FQ6 - Members of Parliament

This is a survey to understand of the impact of the works completed under MPLAD Scheme, as part of the third party evaluation. We would like to understand the views of the Member of Parliament as part of the project's recommendation and implementation. This survey is being administered on behalf of Ministry of Statistics & Program Implementation (MOSPI) and your responses and identity will be kept confidential.

1	Name of the Member of parliament:			
2	Period of Office Occupancy:			
3	Elected House:	Lok Sabha	Rajya Sabha	
4	Elected/Nominated			
5	Office Address:			
6	Name of the constituency			
7	Name of the Nodal District (s) covered			
8	Name of the State			
9	Is there any criteria being followed at your end to shortlist projects to recommend?	Yes	No	If yes pls mention details
10	Comments on adequacy of ceiling amount?	Insufficient/Sufficient/ More than sufficient	If "insufficient" specify amount required	
11	Whether the ceiling limit fixed for INR 50 lakh to be sanctioned to any trust and 1 crore to all the trusts in one financial year is sufficient or need to be further updated?	Insufficient/Sufficient/ More than sufficient	If "insufficient" specify amount required	
12	Do you think the ceiling limit of INR 25 lakh for outside state constituency is sufficient?	Yes/ No	If "No" specify amount required	
13	Do you monitor the tasks recommended ?	Yes/ No Monthly	If Yes Please mention frequency. Quarterly Annually	
14	Do you get the response from District authorities within 75 days of your recommendation?	Yes	No	Remarks if any
15	Does the DA intimate regarding rejection, if any, within 45 days from the date of receipt of recommendations, with reasons thereof? (Guideline para 3.12)	Yes	No	Remarks if any
16	Do you get approval for consent from District authorities in case of changes in area or budget hike of the recommended works?	Yes	No	Remarks if any
17	Are there any challenges in obtaining the first and second installment each year?	Yes	No	If yes pls mention details
18	How do you rate One MP One Idea working in your constituency?	Not aware	Aware but not concerned	Fully aware
19	Did you observe convergence of MPLADS scheme with other schemes in your constituency?	Yes	No	If yes pls mention details
20	Do you think any other scheme need to be converged with MPLADS?	Yes	No	If yes pls mention details

21	Do you agree to include the renovation / maintenance of works created under MPLADS?	Yes	No	If yes, reasons
22	Do you agree to include the restoration of water bodies / natural resources under MPLADS?	Yes	No	If yes, reasons
23	Do you think additional time or increased cost to be allocated to areas under hilly terrains / difficult topographies	Yes	No	If yes, reasons
24	What do you think about 2% administrative cost for meeting administrative expenses under MPLADS works?	Not adequate	More than adequate	Reasons for the same
25	Do you / your team regularly use MPLADS Portal for monitoring the progress made by DAs?	Yes	No	If no, specify reason
26	Any suggestions for MPLADS portal for enhancing useability?			
27	Have you regularly received MPRs from DA?	Yes	No	If no, specify reason
28	Are there any suggestions for effective monitoring of DAs?			
29	As per your view is there anything need to be updated in prohibited list?	Yes	No	If yes pls mention details
30	Do you think private agencies / NGOs may be involved as implementing agencies?	Yes	No	No Opinion
31	What do you do if any work is being rejected?	Further recommend with necessary modification	Don't recommend	Not aware about the rejected projects
32	How do you ensure that the benefit has reached to the community cadre?	Receive feedback from people	Receive feedback from officials	Not required
33	Is there any recommendation from your side to be updated in the scheme for betterment of the society?			

A BRIEF NOTE ON THIRD PARTY PHYSICAL EVALUATION OF MPLADS WORKS IN 216 NODAL DISTRICTS (2021)

The Ministry of Statistics and Programme Implementation (MoSPI) is implementing Members of Parliament Local Area Development Scheme (MPLADS) throughout the country. The MoSPI has shortlisted Ms Delloitte Touche Tohmatsu India LLP to award the work of the Third Party Physical Evaluation of MPLADS works in respect of 216 Nodal Districts across the country for the assets created in Districts under MPLADS during the period from **01.04.2014 to 31.03.2021** (both dates included). Zone wise distribution of selected Nodal District is attached at *Annexure-I*. The work is proposed to be completed within 90 days of award of the Contract in all selected districts.

1. Overview of the MPLAD Scheme

1.1 On 23rd December 1993, Members of Parliament Local Area Development Scheme (MPLADS) was launched. It is a Central Sector Scheme fully funded by the Government of India. The basic objective of the scheme is to enable MPs to recommend works of developmental nature with emphasis on the creation of durable community assets based on the locally felt needs to be taken up in their constituencies/eligible areas.

1.2 Right from inception of the Scheme, durable assets of national priorities viz. drinking water, primary education, public health, sanitation and roads, etc. are being created. Since 2011-12, Rs. 5 crores per Member of Parliament is allotted per annum in two installments of Rs. 2.5 crores each.

1.3 The scheme is governed by a set of guidelines, which are revised from time to time. The present Guidelines along with subsequent revision circulars is available in public domain at www.mplads.gov.in. The institute / agency is requested to go through the guidelines meticulously.

1.4 The Members of Parliament have only a recommendatory role. A Member of Parliament is required to choose a Nodal district in his eligible area/constituency.

1.5 The Nodal District concerned is responsible for implementing the eligible works recommended by the Member of Parliament and maintaining the details of individual works executed and amount spent under the Scheme. The District Authority is required to maintain a shelf of projects which is only illustrative and not exhaustive. The District Authority is expected to follow the established work scrutiny; technical, work estimation, tendering and administrative procedure of the State/UT Government concerned in the matter of work execution and is responsible for timely and effective implementation of such works. They have to get the eligible sanctioned works executed as per the established procedure of the State Government (in the matter of technical sanction, tender/non-tender, schedule of rates, etc.). The powers to grant administrative sanction/ approval remains with District Authority.

1.6 A Department in each State/UT is designated as the Nodal Department with the overall responsibility of supervision, evaluation and coordination of implementation of the Scheme with the districts and other line departments.

1.7 Ministry of Statistics & PI, as the Nodal Ministry, is responsible for policy formulation, release of funds and evaluation the implementation of the Scheme. The Ministry releases the entitled funds to the MPs and monitor the overall position of funds released, cost of works sanctioned, funds spent. The Ministry also monitors the receipt of Completion Reports, Utilization Certificates and Audit Certificate from the District Authorities. It also receives the cumulative information on the works recommended, sanctioned, expenditure incurred etc. through the Monthly Progress Reports (MPRs).

1.8 Convergence with other Schemes: The MPLADS Guidelines have been made consistent with some flagship programmes of Government of India such as Digital India, Atal Jyoti Yojana, Skill India, Swachh Bharat Abhiyan. In the wake of Accessible India Campaign (Sugmya Bharat Abhiyan), it has also been decided that the assets created under MPLADS may be made friendly to persons with disabilities.

1.9 The scheme is under non-operation for 2020-21 and 2021-22 and funds for these two years have been placed at the disposal of Ministry of Finance for managing adverse impacts of COVID 19.

2. Objective / Purpose of Third Party Physical Evaluation of MPLADS:

2.1 The broad objective of Third-Party Evaluation of MPLADS works is to, inter alia, evaluate the works / projects executed/ assets created under this Scheme from the point of view of equitable access to the general public utilization, proper and efficient utilization of MPLADS fund, timely completion of works / projects, maintenance of assets created by the user agencies and checking for due adherence to MPLADS Guidelines.

2.2 To find the gaps in implementation of the scheme remove bottlenecks / leakages, better monitoring, improving outputs and revise the guidelines wherever required for efficient implementation of scheme;

2.3 To evaluate outcomes achieved so far on account of convergence of the MPLADS with other Schemes like Swachh Bharat Abiyan, MNEREGA, Khelo India, Atal Jyoti Yojana etc. and ways to improve the outcomes along with output of the Scheme;

2.4 Help the Ministry ascertain and assess various aspects including outputs, outcomes, Sectoral impact, impact of the enhancement in Scheme outlay from Rupees 2 Crore to 5 Crore in 2011-12;

2.5 Assess how effectively the MPLADS Portal is able to monitor the Scheme (in terms of technology adopted, scope and usage etc.); and

2.6 Help the Ministry in taking policy decisions including taking the scheme forward.

3. Scope of Work:

Number of districts to be covered:

3.1 The Ministry intends to cover 216 districts across the country covering States / UTs / Districts including of North Eastern region as per Annexure –I with special emphasis on areas such as Left-Wing Extremism affected areas, aspirational districts and island areas.

Number of works / projects to be evaluated in each district:

3.2 The institute / agency is required to select minimum of 50 projects / works in each district for evaluation undertaken during 1.04.2014 to 31.03.2019 (both dates included), in consultation with district authorities. The institute / agency is required to cover

3.3.1 All works costing above Rs.25 lakh

3.3.2 50 works between Rs.5 -25 lakh in consultation with District Authority. (If such works are less than 50 then works of lower cost may be included).

3.3.3 10% of works should pertain to Societies/Trusts (Non-Government Organization).

3.3.4 10% of rehabilitation works in areas affected by natural calamities.

3.3 The selected sample of the MPLADS works drawn in each administrative district should be judicious blends of various parameters like Cost of works, Year-wise works, MP wise works, works in the area of SCs/STs, Sector wise works (Drinking water, education, electricity, health & family welfare, irrigation, non-conventional source of energy, railways, roads bridges & pathways, sanitation & public health, sports and animal care, etc.), works done outside the constituency.

Brief description of works of agency / institutes:

3.4 The selected agency / institute shall be required carry out following functions

- Depute a team of experts and requisite manpower at the Ministry level (New Delhi) to coordinate the evaluation across the districts covered. National team leader should always be in touch with the Ministry.
- Depute a team of manpower with sufficient expertise and qualification at each district to be covered for evaluation. One of them is to be identified as district leader in each district. The team leader and members should work in close consultation with district authorities.
- Design appropriate schedules / proforma in consultation with the Ministry for collecting the basic data on MPLADS works undertaken during the period from 01.04. 2014 to 31.03.2019 (Both dates inclusive).
- Getting details of the sample of works including existence of asset, quality of asset and its utilization, completion of works as per prescribed time-lines, adherence to MPLADS Guidelines, matching of physically verified information with information available in asset register maintained by District Authority, eligibility of assets and placing of plaque as per MPLADS Guidelines etc.
- Select 50 works / projects in consultation with the District Authority based on the criteria mentioned in Para 3.2 above.

- Inspect/visit the work sites, verify the assets with respect to technical specifications and financial approvals, assess basic quality, obtain feedback from the user agency/local community, check for their diversion of usage etc.
- The agency / institute shall check and record time taken in sanction / execution of recommended works by the District Authorities, encroachment or diversion of use, non-maintenance of MPLADS assets, delay in financial sanction and completion of MPLADS works /assets, sanction of funds to ineligible trusts / societies, suspension / abandonment of works / projects mid-way, irregularities in maintenance of asset registers, irregular inspection of MPLADS works / assets by the District Authorities, State / UT Nodal Departments and the implementing agencies, financial irregularities by the implementing agencies, non-entry of works on the integrated MPLADS portal.
- The agency / institute shall provide comments on performance of the Scheme with regard to alleviating the impact of natural calamities of severe nature, managing covid pandemic, positive interventions made by the Scheme in SC and ST-dominated areas.
- Visit the District Nodal Office to assess implementation mechanism/ procedure, time taken in sanction and execution, inspection mechanism, quality check mechanism, review mechanism and record maintenance etc. through discussion and perusal of records etc.
- Compile and analyse information to prepare district-wise reports containing violation/shortcomings observed in implementation of the selected sample works. The report should also include implementation procedure, record maintenance, review mechanism etc. for each selected district. The report may also contain practical suggestions for improvement as well as Para-wise review of the MPLADS Guidelines.
- Review shall be done at the stage of release of second instalment i.e. on completion to 60% Physical evaluation of districts in each zone and a draft interim-report presented to the Ministry.
- A report covering overall findings of evaluation of all the selected districts comprising of background, approach, methodology adopted along with findings etc. should also be prepared and submitted to the Ministry.
- Furnish any other requisite data / information / material in prescribed format, if required, by the Ministry on the basis of the information/assessment collected and compiled.
- The Agency/Institute shall analyse the legacy data available with MPLADS Division and also cover a thorough study on the entire secondary data available for the

evaluation period, Sector wise, State/District wise, MP wise funds allocated and utilized; works recommended, sanctioned and completed etc.

- The report shall conform to the requirements under template for evaluation of Central Sector Scheme issued by Ministry of Finance, D/o Expenditure OM F.No.66(59)PFC-II/2018-Pt dated 22.5.2019 (Annexure –IX).
- In case of interpretation/clarity, the decision rests with the Ministry.

4. Deliverables:

4.1 The agency / institute is required to give following final deliverables.

- Separate report of each district covered under evaluation along with data and other relevant details.
- Detailed report of the evaluation as per the objective, Scope of work and brief description of work at 3.4 above.
- Executive Summary and Recommendations on different aspects / provisions of the MPLAD Scheme
- Para wise suggestions on extant MPLADS guidelines – Draft revised MPLADS guidelines 2021.
- Midterm report

4.2 The institute is required to provide 50 hardcopies of each of the above deliverables and softcopies both in PDF as well as word format.

5. Time Frame

5.1 The selected agency/ organization will work as per the following timelines:

Date of award of contract =T		
#	Target	Date
1.	Completion of physical evaluation of works in at least 20% districts.	T+30 days
2.	Completion of physical evaluation of works in 60% of districts. And submission of draft interim-report to Ministry.	T+60 days
3.	Completion of physical evaluation of remaining 20% Districts and submission of final report to M/o SPI.	T+90 days

5.2 In case of any deviation from the time lines as stipulated above the same shall only be allowed for reasons to be intimated by the agency, and subject to approval of Ministry.

5.3 The expected time of start of evaluation is December, 2020 depending upon the COVID situation in the selected districts and expected end date with submission of all the deliverables is 31st March 2021.

6. Services to be provided by the client (MPLADS)

6.1 The Ministry will advise/write to the State Governments/district authorities for rendering necessary assistance for undertaking the work. The Ministry will also provide any clarification/elucidation on the MPLADS Guidelines and the MPLAD Scheme.

7. Name of Nodal Districts: State wise list of Nodal district is at Annexure-I.
