

AGENDA NOTES FOR 13TH REVIEW MEETING WITH THE NODAL SECRETARIES OF THE STATE GOVERNMENTS/UNION TERRITORIES ON MPLADS AT 10.00 A.M. ON 17th August, 2011 IN VIGYAN BHAWAN

Background

As per para 6.2 of the MPLADS Guidelines, the Ministry of Statistics and Programme Implementation will hold meetings in the States and also at the Centre at least once in a year to review the implementation of the MPLAD Scheme. To ensure better monitoring the Ministry of Statistics and Programme Implementation holds review meetings at the Centre twice a year. Twelve such meetings have so far been held. The last meeting was held on 14.02.2011.

Agenda items

(i) Distribution of unspent balance for both Lok Sabha & Rajya Sabha members.

(a) Distribution of Unspent Funds of Lok Sabha Members

Consequent upon delimitation of Constituencies in the year 2008, changes have occurred in the topography of many constituencies in the 15th Lok Sabha, with some of the constituencies having been created in the 15th Lok Sabha. As a result of these changes, no clear linkages between several of the constituencies of the 14th Lok Sabha with the 15th Lok Sabha could be established. As clear linkage could not be established with the old constituencies upto 14th Lok Sabha with the new constituencies in the 15th Lok Sabha, the procedure laid down in the MPLADS Guidelines for distribution of unspent/uncommitted funds could not be followed and the District Authorities were requested to ensure that all eligible work of MPs upto 14th Lok Sabha are completed latest by 30th September, 2010.

Nodal Departments of the States/UTs for MPLAD Scheme were requested to collect the information about the unspent/uncommitted balances available with the District Authorities after completion of all sanctioned works of 14th Lok Sabha and complete the process of

distribution of unspent/uncommitted balances by **31st December, 2010.**

The affected States where the clear linkage is not established and the unspent balance are to be distributed are Andhra Pradesh, Bihar, Chhattisgarh, Delhi, Gujarat, Haryana, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Orissa, Punjab, Rajasthan, Tamil Nadu, Uttar Pradesh, Uttrakhand, West Bengal.

Out of these States, the exercise of distribution of unspent balance has been completed in **West Bengal, Punjab, Uttrakhand, Kerala, Rajasthan, Delhi, Madhya Pradesh, Haryana and Gujarat.**

However, despite reminders to the Nodal secretaries, the information from other States is awaited. All Nodal Secretaries are requested complete the exercise of distribution without further delay.

(b) Distribution of unspent Funds of Rajya Sabha Members

It has been noticed from the Monthly Progress Report received from the District Authorities and Performance Audit Report received that a large amount of unspent balance of MPLADS funds of the Ex-Rajya Sabha MPs is awaiting distribution amongst the successor RS MPs despite the provision of distribution contained in MPLADS Guidelines and the circulars issued by this Ministry from time to time. The issue relating to the distribution of unspent balance is also repeatedly clarified during training workshops, review meetings etc. However, the distribution of unspent balance of Rajya Sabha MPs is not being done properly.

In the recently received Performance Audit Report, it has been pointed out that in the following 10 states, the unspent amount of **Rs 82.54 Crore** left over by their predecessor had not been distributed among the successor RS MPs i.e. **Assam, Gujrat, Goa, Haryana, Jammu & Kashmir, Maharashtra, Orissa, Tamil Nadu, Uttrakhand and West Bengal.**

Besides the above, in the audit Report, it has been pointed out that in Chhattisgarh, the unspent balance of Rs 0.62 crore left by predecessor RS MPs was to be equally distributed among five successor RS MPs. Instead, the DA Bilaspur distributed the unspent amount

equally between only two RS MPs, Sh. Ramdhar Kashyap and Smt. Kamla Manhar, in contravention of the provisions of the scheme.

The Nodal Secretaries of the States may direct the District Authorities of their States to adhere to the provisions of the Guidelines and circulars issued by this Ministry properly and furnish report of the distribution of unspent balance regularly.

(ii) Transfer of fund under MPLAD Scheme through ECS/RTGS and information to be uploaded on CPSMS

Controller General of Accounts and Ministry of Finance have repeatedly stressed that the MPLADS funds be released through bank accounts through the Deputy Commissioner/District Magistrate in all States/UTs. The details of bank accounts are to be uploaded online in Central Plan Scheme Monitoring System (CPSMS).

This Ministry has already taken up the issue of release of MPLADS funds through Electronic Clearing System (ECS) with all the Nodal District Authorities wherein it has been emphasized that this Ministry will not release the MPLADS funds in the physical mode after March 2011 and District Authorities shall be held responsible for any delay in release of funds of MPs. However, M/O S & PI has granted relaxation for release of funds through physical modes i.e. through Demand Drafts upto **30.06.2011**, in cases where bank details are not available. Beyond this date, funds will be released through ECS only.

Controller General of Accounts (CGA) has also further informed that all the Nodal District Authorities would be required to register details of the Bank Account for their Implementing Agencies in their CPSM system to enable monitoring of usage of funds by the Implementing Agency on daily basis and the details would also be available to the Ministry. Training programmes for staff at District level are being organised by Ministry of Statistics and Programme Implementation for this purpose.

From the available records with the Ministry, it is seen that a large number of District Authorities have not provided the bank details of MPLADS funds. The State wise details are at **Annexure-A.**

Nodal Secretaries are requested to ensure that the bank details of the Nodal Districts are provided. It is also mentioned that henceforth no funds through cheque/draft will be issued.

(iii) Action Taken Report on CAG Report 2010-11

Comptroller and Audit General of India has submitted **Audit Report No 31 of 2010-11** on Performance Audit of MPLADS covering 128 Districts Authorities of 35 States/UTs for the period 2004-05 to 2008-09. There are total 59 Audit Paras in the report which contains the result of the review of implementation of the MPLAD Scheme. The audit observations as contained in C&AG Report have pointed out violation of Guidelines on various aspects as well as certain irregularities in implementation of the scheme by the District Authorities/Implementing Agencies.

2. The Performance Audit Report has already been forwarded to all the States/UTs vide this Ministry's letter dated 18.04.2011 requesting the Chief Secretaries of the States/UTs to direct the District Authorities to furnish the Action Taken Report. This was followed by this Ministry's letter 08.07.2011 requesting to taking urgent corrective measures on the issues raised in CAG report by 15.08.2011 as the same is required to be presented before the Public Accounts Committee.

3. In the executing summary, CAG has pointed out that the current report reveals that many of the shortcomings pointed out in earlier two audit report (1998 & 2001) on MPLADS still persist. It has also been pointed out that the Action Taken Note on the previous audit report were submitted after delay of over 8 years & 10 years respectively.

4. The States are requested to examine the various irregularities pointed out by the CAG expeditiously and furnish the Action Taken report on **PRIORITY BASIS** to enable this Ministry to furnish a report to Public Accounts Committee in a **Time Bound manner**. Details of Audit paras involving the States/Districts are attached.

Subsequently, Govt. of Bihar informed that cost of proposed shelters had increased and that only 35 Disaster and 35

The reasons for change in number and site of the Shelters were called for from State Govt. and in the meeting of Rajya Sabha Committee on MPLADS held on 4.01.2011, the Committee gave its approval for construction of 19 Disaster-cum-Community Shelters and 19 Cattle Shelters from the consented amount of Hon'ble MP (RS). The percentage utilization of MPLADS funds in various states is indicated in the enclosed statement at **Annexure-G**.

(vi) Operationalisation of Online Monthly Progress Reporting System (OMPRS) and Work Monitoring System(WMS)

The Ministry had introduced the Online Monthly Progress Reporting System (OMPRS), which envisages establishing a common platform across the country to generate the Monthly Progress Reports online and in a common format, making available information at further disaggregated level and enabling faster release of funds, in February, 2009.

In the previous review meetings of 12.08.2009, 02.02.2010 , 6.8.2010 and 14.02.2011, the States/UTs were impressed upon to furnish the Online MPRs on priority basis. This has also been instructed to the District Authorities in the review meetings that the MPRs upto the 14th Lok Sabha and the 15th Lok Sabha are to be furnished separately.

As per Guidelines, the details of all works recommended, sanctioned and executed by the Nodal District Authorities have to be entered in the Work Monitoring System which is available at www.mplads.gov.in. However, it is seen that a large number of works in many districts are not entered into the Work Monitoring System which make the database deficient and unusable. The Nodal Department of the States/UTs is requested to direct the district authorities concerned to enter all the details of works.

(vii) State level monitoring by the State/District Authorities.

In the earlier meetings held on 14.02.2011, it was observed that Dadra and Nagar Haveli, Daman & Diu have not yet constituted the Monitoring Committees in compliance with para 6.3 of the Guidelines. These aforesaid UTs are requested to furnish their replies stating their inability to constitute the State Level Monitoring Committee.

(viii) Training of State /District officials

The details of training conducted / to be conducted, proposal received/ not received are given in **Annexure-H**.

New initiative on training on MPLADS

The training on “MPLADS Guidelines” to the State/District officials is an integral part of successful implementation of the MPLAD Scheme. The number of training conducted so far in each State is not sufficient, which is mainly due to shortage of resource persons from the Ministry for imparting such training. Based on the suggestion of Lok Sabha Committee on MPLADS, Ministry has created 6 zonal venues in the states of West Bengal, Madhya Pradesh, Haryana, Maharashtra, Tamil Nadu, and Assam to create a pool of resource persons for respective States/UTs from amongst the Government and respective State Training Institute so that each state will have sufficient expertise resource person in the field of training which will facilitate in conducting training on MPLADS in the respective States/UTs in their regional languages in an efficient and fruitful manner. In addition to the training on MPLADS Guidelines, it has been decided to conduct the training as a two days residential training by incorporating training on Online Monthly Progress Reporting System (OMPRS), Work Monitoring Software (WMS) of MPLAD Scheme and Central Plan Scheme Monitoring System (CPSMS) as per the following training schedule.

Day I	Session I	Inauguration and training on MPLADS Guidelines
	Lunch	
	Session II	Training on Work Monitoring Software (WMS) and Online Monthly Progress Reporting System (OMPRS) of MPLAD Scheme.
Day II	Session I	Training on Central Plan Scheme Monitoring System (CPSMS), updation of data and release procedure
	Lunch	
	Session II	Question & Answer session and Valedictory Concluding session

Due to delay in furnishing of financial proposals by these states, Ministry could not conduct the training as per the previous time schedule. However, financial proposals have now been received from all states except Haryana. From the nominations of officials received in the Ministry, it has been observed that the Nodal department nominates officials from their department only. **Since the training is for creation of resource persons from the state, the State Nodal Department is required to take initiative in consultation with their State Administrative/ Management institute for nominating faculties to the proposed training.**

D.O.No.R-6/13/1994-MPLADS (Vol.VIII)

Dated: 3/5/2011

Dear Sh. Joti,

An earthquake of devastating intensity had rocked the State of Gujarat on 26/1/2001 causing tremendous loss of life and property in Kachchh, Rajkot, Surendranagar, Surat, Patan, Ahmedabad, Banaskantha, Navsari and Porbandar Districts of Gujarat. The Hon'ble Members of Parliament (Lok Sabha and Rajya Sabha) had contributed Rs.48,93,23,400/- (Rajya Sabha Rs.26,90,00,000/- and Lok Sabha Rs.22,03,23,400/-) for rehabilitation works in the earthquake affected areas of Gujarat. The funds contributed by the Hon'ble Members of Parliament were transferred to the Chief Secretary, Govt. of Gujarat by the respective Nodal Districts of the Members of Parliament on recommendation of this Ministry.

2. The Government of Gujarat had set up an agency Gujarat State Disaster Management Authority (GSDMA) to carry out the rehabilitation works. Government of Gujarat vide its D.O. No.MPS-1002-2047-IX-Y-1 dated 8/10/2009 informed that GSDMA has intimated to Gujarat Govt. that a saving of Rs.9 crore alongwith interest is still available out of the funds contributed by the Hon'ble Members of Parliament. A proposal of Rs.550 lakh for construction of Shri K.V. Higher Education Govt. school at Nakhatrana, District Kachchh was also proposed for seeking approval of MPLADS Committees. This Ministry vide letter of even number dated 9/12/2009 (copy enclosed) had requested Principal Secretary (Planning), Govt. of Gujarat to provide unspent balance of respective Houses of Parliament i.e. contribution by the Hon'ble MPs out of their MPLADS funds. Thereafter, reminders dated 20/1/2010 & 23/2/2011 were sent to Govt. of Gujarat for furnishing the requisite information. In response, Govt. of Gujarat vide letter dated 2/3/2010 instead of giving the requisite information repeated the same matter as was given in their earlier letter dated 8/10/2009. This Ministry vide letter of even number dated 18/3/2010 (copy enclosed) again explained the points to Govt. of Gujarat on which information was to be provided to this Ministry. Reminders dated 15/7/2010, 1/2/2011 and 15/4/2011 were also sent to the Principal Secretary (Planning), Govt. of Gujarat. But till date the requisite information has not been provided by the Govt. of Gujarat.

3. I shall be grateful if you could kindly look into the matter personally and get the requisite information expedited.

Yours sincerely,

Encls. As above.

Shri A.K. Joti
Chief Secretary
Government of Gujarat,
