Sub: Modifications of MPLAD Guidelines – Use of 2% Administrative Expenses

Sir/Madam,

Reference Reform Circular No. 7 issued by this Ministry vide letter of even number dated 08th August, 2011 on the above subject.

2. Pursuant to the issue of the Reform Circular, requests from various State Governments have been received informing that the working of the Scheme at the state level is almost similar to the working at District level except processing/sanction of MP's recommendations and there is need of stationery, office equipment and computer hardware/software, etc at State level. For enabling State Nodal Department to do effective monitoring of the Scheme, request has been made to allow use of Administrative Expenses on similar lines. The matter has accordingly been examined and it has been decided that Para 3(a) of the Reform circular read with para 4.17(II) (a) of the revised guidelines may be expanded to include the following activities under the 'Administrative Expenses' by the State/UT Nodal Departments :-

- (i) Third party inspection-physical audit and quality check, and
- (ii) Monitoring of works at State level,
- (iii) Translating and printing the MPLADS Guidelines in their respective regional language, except in Hindi (Hindi version will be supplied by Government of India)
- (iv) Hiring of services/consultants for handling Data Entry, uploading of data on website, etc.
- (v) Creating awareness among public about the Scheme and dissemination of information of ongoing and completed works,
- (vi) Purchase of stationery,
- (vii) Office equipment including computer hardware/software for MPLADS planning/monitoring (excluding laptop),
- (viii) Telephone/fax charges, postal charges,
