Subject:- Creation of new ponds under Mission Amrit Sarovar from MPLADS funds—regarding.

Kind reference is drawn to the Mission Amrit Sarovar launched by Honourable Prime Minister on 24th April 2022 with a view to conserve water for the future. The Mission is aimed at developing and rejuvenating 75 water bodies in each district of the country as part of celebration of Azadi Ka Amrit Mahotsav. The Mission further entails funding support from various Central Govt. Schemes either individually or in combination.

2. The MPLAD Scheme being administered by Ministry of Statistics and Programme Implementation also aims at creation of durable community assets. Similarly, Mission Amrit Sarovar also aims at creation of sustainable and long term productive assets and will play an important role in increasing the availability of water, both surface and under-ground. Hence, the objective of the Mission Amrit Sarovar is found to be in consonance with the objective of MPLAD Scheme. Accordingly, it has been decided that Hon'ble MPs, if they so desire, may recommend MPLADS Funds for **creation of 'new ponds only' under Mission Amrit Sarovar in accordance with provisions of the MPLADS Guidelines.** A copy of MPLADS guidelines is enclosed for ready reference.
